APPLY NOW

The University Innovation Hub Program (UIHP), a flagship initiative of the Bangladesh Hi-Tech Park Authority (BHTPA) and funded by the World Bank under the Digital Entrepreneurship and Innovation Ecosystem Development (DEIED) project, is shaping the future of student entrepreneurship in Bangladesh by integrating global best practices into university-led innovation hubs.

Through its immersive mentorship journey, UIHP has empowered 3,067 students from 714 teams—guiding them from idea validation to product commercialization. To date, the program has provided grants of over 1.34 crore BDT to student-led ventures, while its graduates have already secured more than 1 crore BDT in external investments—proving that Bangladesh's next generation of innovators are ready to compete on the global stage.

Participating Universities

Bangladesh University of Engineering and Technology (BUET)

Shahjalal University of Science and Technology (SUST)

Rajshahi University of Engineering & Technology (RUET)

University of Chittagong

United International University

Begum Rokeya University

University of Dhaka

Gopalganj Science and Technology University

Bangladesh Agricultural University (BAU)

Khulna University

BRAC University

Variedia University

North South University

Jahangirnagar University

Opportunity to Win up to
150,000 taka as grant

Dedicated co-working space with state-of-the-art facilities at own university

Program Structure:

- 12 weeks
- Hybrid Classes over Weekend

Entrepreneurial Skill Development through guided mentoring sessions

Networking and connection with Industry leaders

Eligibility:

- Team Size: 3 – 5
- Teams must have a female member
